Sociological theory vs. social theory. Kenneth Allan proposed the distinction between sociological theory and social theory. In Allan's usage, sociological theory consists of abstract and testable propositions about society. It often heavily relies on the scientific method, which aims for objectivity, and attempts to avoid passing value judgments. In contrast, social theory, according to Allan ...

2. The Expansion of cell phone usage as a multidimensional challenge for sociological theory and research. Since its inception in the late 19th century until recent years, the telephone has received very meagre attention from sociology and the media sciences (Lasen 2002a: 31). In particular, no considerable efforts have been made to gain a synopsis of its multifaceted impacts on various fields ...
