A tame animal is an animal that is relatively tolerant of human presence. Tameness is the quality of an animal being welcoming towards the presence of humans, either naturally (as in the case, for example, of island tameness) or due to human intervention (as the result of animal training).. Taming is the deliberate, human-directed process of training an animal against its initially wild or ...

Taming the Tiger is the 16th studio album by Canadian singer-songwriter Joni Mitchell. It was released in 1998 and was widely believed to be the last album of new material Mitchell would ever release (though this was dispelled with the release of her 2007 album Shine). The title refers to the unexpected commercial and critical success of her previous album Turbulent Indigo.

A new psychological theory holds that human beings exist at different "levels of existence." At any given level, an individual exhibits the behavior and values characteristic of people at that level; a person who is centralized at a lower level cannot even understand people who are at a higher level.
