

the humanities culture continuity pdf

Humanities are academic disciplines that study aspects of human society and culture. In the renaissance, the term contrasted with divinity and referred to what is now called classics, the main area of secular study in universities at the time. Today, the humanities are more frequently contrasted with natural, and sometimes social, sciences as well as professional training.

Scholars supporting the continuity theory argue that the Romanians descended from the inhabitants of "Dacia Traiana", the one-time province encompassing some regions of present-day Romania for around 165 years. In these scholars' view, the close contacts between the autochthonous Dacians and the Roman colonists led to the formation of the Romanian people because many provincials stayed behind ...
